

THE UNITED REPUBLIC OF TANZANIA  
MINISTRY OF EDUCATION, SCIENCE AND TECHNOLOGY

THE NELSON MANDELA  
AFRICAN INSTITUTION OF SCIENCE AND  
TECHNOLOGY (NM-AIST)

School of Business Studies and humanities (BuSH) coordinated 2023 Business Plan Competition on behalf of the Institution. The competition took place on 3<sup>rd</sup> March, 2023 under the theme titled "The role of multidisciplinary research in the commercialization of science, engineering, technology, and innovation (SETI) for sustainable development in Africa". Students from the four NM-AIST Schools participated in the competition. I am happy to announce the following students who are the 2023 BPC Winners as indicated in table 1: The 2023 BPC mark it is ten year since the commencement in the year 2013 and has served more than 100 students and some of the startups are turned into business ventures.
